Prorated Refund Policy – for Veterans

Purna Yoga College agrees that if a veteran student fails to enter the course, withdraws, or is discontinued at any time prior to completion of the course, the unused portion of paid tuition, fees, and other charges will be refunded or the debt for such tuition, fees and other charges will be cancelled on a prorated basis, as follows:

(a) Tuition and other charges: the above established refund policy will be modified for veterans to reflect a prorated refund, rounded to the nearest \$10, not to exceed more than a 10% of the prorated portion of tuition. The exact proration will be determined by the ratio of the number of days of instruction completed by the student to the number of instructional days in the course.

(b) The school will make a refund on full for the amount of any unissued books, supplies and equipment when:
The school furnishes the books, supplies and equipment
The school includes their cost in the total charge payable to the school for the course

Attendance Policy

To receive your Course Completion Certificate and be eligible for Yoga Alliance registration, you must complete 100% of the classes and requirements. However, we understand that you may not be able to foresee every conflict. If you must miss a class or if you consistently arrive late or leave early, the policy is:

- If you miss up to 10% (up to 20 hours or 4-5 modules), you may still complete the program by making up missed time with your instructor to ensure that you are competent in all content of the training. Missed class time can be completed through private instruction. The amount of private instruction varies according to the specific content missed. One module (4 hours) = 1.5 hours of private instruction, at a cost of \$120 per 1.5 hour session. Private instruction make-ups must be completed within 30 days of the completion of your course.
- If you miss more than 10%, you may continue in the course, but you might not be eligible for a Course Completion Certificate. Speak with your instructors to determine if missed classes can be made up without slowing the progress of the course for yourself and the other students.

Agreement is Binding

This agreement will be binding only when it has been fully completed, signed, and dated by the student and an authorized representative of the school prior to the time instruction begins.

Changes in the Agreement

Any changes in the agreement will not be binding on either the student or the school unless such changes are acknowledged in writing by an authorized representative of the school and by the student or the student’s parent or guardian if he/she is a minor.

Effective Date of Acceptance

I certify that I have read and understand the cancellation and refund policy and the complaint procedure; I have received a copy of the school catalog or brochure; and I am entitled to an exact copy of this Enrollment Agreement, school catalog, and any other papers I sign. I hereby agree to abide by the conditions set forth herein.

Discontinued Programs

If the school discontinues instruction in any program after students enter training, including circumstances where the school changes its location, students must be notified in writing of such events and are entitled to a pro-rata refund of all tuition and fees paid unless comparable training is arranged for by the school and agreed upon, in writing, by the student. A written request for such a refund must be made within 90 days from the date the program was discontinued or relocated and the refund must be paid within 30 days after receipt of such a request.

Termination by the School

Cancellation of Classes

The school reserves the right to cancel a starting class if the number of students enrolling is insufficient. Such a cancellation will be considered a rejection by the school and will entitle the student to a full refund of all money paid.

Notice to Buyer

You are entitled to an exact copy of the agreement, school catalog, and any other papers you may sign and are required to sign a statement acknowledging receipt of those.

Cancellation of Contract

If you have not started training, you may cancel this contract by submitting written notice of such cancellation to the school at its address shown on the contract, which notice shall be submitted not later than midnight of the fifth business day (excluding Sundays and holidays) following your signing this contract or the written notice may be personally or otherwise delivered to the school within that time. In the event of a dispute over timely notice, the burden to prove service rests on the sender.

Unfair Business Practices

It is an unfair business practice for the school to sell, discount, or otherwise transfer this contract or promissory note without the signed written consent of the student or his/her parent or guardian if he/she is a minor and a written statement notifying all parties that the cancellation and refund policy continues to apply.
